

## Eco-Committee Members Needed...

**Reports To:** Eco-Coordinator

**Department:** Eco-Schools

**Contract:** To attend meetings when requested by school's Eco-Coordinator.

**Location:** School

### **Purpose of the Job:**

To support the Eco-Coordinator in achieving an international Eco-Schools Green Flag award.

### **Jobs you will need to do:**

- Making sure the whole school are aware of the Eco-Schools programme.
- Completing the Eco-Schools Environmental Review.
- Creating and implementing a whole school Action Plan.
- Asking other pupils for suggestions on how to make our school more environmentally friendly.
- Talking to teachers, the head and deputy head teacher, governors and parents about how we can improve and help the environment.

### **Challenges you will overcome:**

- Informing the school community about the Eco-Schools programme.
- Completing an Environmental Review.
- Listening to as many ecological suggestions from as many people as possible.
- Recording minutes during Eco-Committee meetings.
- Creating a whole-school Action Plan.
- Persuading the head teacher and deputy head teacher to approve the Action Plan.
- Raising the funds required to administer our Action Plan.
- Involving governors and parents in the Eco-Schools programme.

### **Skills you will need:**

- Caring about the world and its environment.
- Willingness to give up some of your time for Eco-Committee meetings.
- Sharp-eyed to carry out the Environmental Review.
- Imaginative to think of ideas for our Action Plan.
- Confidence to tell people all about Eco-Schools.
- Persuasiveness to encourage adults and other pupils to work hard for the environment.
