

## Collective Worship Theme: Respect

It's been a busy end to the summer term - here are just some of the things we have been doing...

### Door Step Theatre Company Visits

Doorstep Theatre visited the school. They performed 'A Square World' for Lime Class, a touching story of three friends and an unexpected change that leaves one of them out in the cold. Together they decide to redefine the rules of the square world in which they live and soon discover their lives won't be square ever again!

After the performance the children were able to make their own differently shaped characters.

For Sycamore and Chestnut Classes, they put on a performance of 'The Olive Branch', a story of compromise and adaptation performed through dance and acrobatics watched with awe!

A huge thank you to our Friends team who raised the money to pay for these wonderful experiences for the children.

### Sports Day

The children, staff, parents, families and their friends all enjoyed our sports day. The children joined in with enthusiasm and showed fantastic teamwork and physical skills. Each team took on a wide range of exciting activities to earn points for their team and then competed in flat races.

The school community was proud of each and every child. A huge thank you to Mrs Duff and Mr Norman, our sport's coach from Kicks and Tricks, for organising such a fabulous day. Also to our wonderful Friends Group who provided some well-needed refreshing drinks and snacks. Huge congratulations to the winning Green Team!

### Alice the Musical

The KS2 children performed 'Alice the Musical' to a packed village hall. It was a fantastic production, made even better with lighting, sound and staging from Colin, Sue S, Sue R and Roz from Curtains Up. The staff (and some of the staff's parents !) helped make some clever props. Parents and guardians provided some brilliant costumes. A huge well done and thank you to everyone who took part and supported us.

### Our Leavers

On our last day, we are saying goodbye to our Year 6 pupils who are about to move on to the next stage of their school life. They have been fantastic pupils and set a fine example to our younger children. They all performed to their full potential in their SATS. We wish them all the best for the future . They and their families will be missed by us all. We know that they will maintain the progress and levels of achievement they showed at Wetheringsett at high school. Shine bright in Year 7!

We will look forward to welcoming the rest of the school back, along with the new reception children, on Wednesday 3rd of September. We hope you will all have a fantastic summer with your families and friends.
