OUR PURPOSE

Our purpose is to raise funds that will contribute to the enriching opportunities our children receive as part of the school. This may include 'in house' workshops, outings and travel to support the curriculum.

Our aim is to build a sense of community, raise funds, promote the school and have fun doing so. We would love it if you would like to join our friends committee. Just come chat to any of us in the playground and we can let you know more!

PASSIVE FUNDRAISING

You can raise funds through the easyfundraising cash back scheme. It's a simple way to earn some money for your school whilst shopping online. Keep us in mind as you shop!

Please see the attached leaflet for our new Parents Lottery. For every £1 ticket, we receive 60p...and you get entered to win the jackpot!
