THE REGAL STOWMARKET

SHOWING THIS HALF TERM

Best friends Jo and Raissa stumble through a mysterious portal into Nakali, a magical island filled with fantastical creatures. But to return home, they must sacrifice their memories of each other. Can they escape before they forget each other forever?

The rich Addams family lives in a nonconformist manner. But this wealthy eccentricity is threatened when the family lawyer and a mother-son duo plot to steal the riches of the family. A battle ensues.

After her baby brother is abducted by a murder of crows, headstrong teenager Prue McKeel ventures into an enchanted forest to rescue him. Joined by a loyal classmate, she faces bandits, talking animals and powerful figures driven by grief and ambition.

The rambunctious, ridiculous and totally true story of how the Minions conquered Hollywood, became movie stars, lost everything, unleashed monsters upon the world, then banded together to try and save the planet from the mayhem they created.
